THE XII SESSION OF THE RUSSIAN-ARAB BUSINESS COUNCIL

RUSSIA-ARAB WORLD:

TIME TO COOPERATE FOR OUR FUTURE

Free economic zones are gradually becoming drivers of infrastructure development of Russian and Arab cities. Russia has already presented its industrial zone on the territory of Economic zone of the Suez Canal, which will provide exporters and suppliers with the opportunity to locate their production capacities near to MENA markets. At the same time free economic zones can become the localization centers for Arab business aimed to local market.

Moderator (to be confirmed):

PANEL DISCUSSION: RUSSIAN-ARAB COOPERATION IN AGRICULTURE SPHERE. HALAL PRODUCTS

(in cooperation with the Ministry of Agriculture of the Russian Federation)

Plenary session hall, Central Exhibition Hall "Manege"

Nowadays the agro-industrial complex along with the oil and gas sector represents itself the priority issue for Russia. At the moment this direction is not just profitable but it also ensures food security of the countries, and allows to export significant volumes of products. Russia is ready to export its agricultural products to the Arab markets, in their turn, Arab countries can export to the Russian Federation such products as citrus, etc. What barriers do Russian and Arab entrepreneurs face on their way? What investment and infrastructure projects must be worked out to facilitate business conditions for export-oriented companies?

Moderator (to be confirmed):
